

Family Outdoor Scavenger Hunt #1

Directions:

Play as either an individual/a small group against others in your family or as a big family team and see how many points you can earn by completing the different challenges. If you complete one, check it off in the column on the right. Set an agreed-upon time limit for the game before you start. At the end of the time limit, add up your points and see how many you/your team earned. Be mindful of social distancing and stay away from playgrounds and public parks while playing. Good luck!
